- 8 pack regular markers
- Transparent plastic ruler w/inches and cm.
- Backpack
- 2 Water bottles for rotating
- 1st grade: Two primary grade composition notebooks. These have the top portion dedicated to illustrating and the bottom lines have the three line setup.
- 2nd grade: One primary composition notebook. And one regular composition notebook, At the middle of the year we will transition to notebook paper.

I have big supplies of scissors, pencils, markers, crayons, highlighters, and coloring pencils for class use. It is not necessary to purchase these unless your child wants to have their own.

Please try to avoid the decorative pencils with the shaft wrapped in the plastic art as they severely clog electric sharpeners. For the eraser tops and pencils, as a teacher I have discovered what brands are durable and work well with children. It really makes a difference in the classroom to avoid things falling apart or decomposing during regular use.
