- 1<sup>st</sup> grade: 2 primary grade composition notebooks. These have the top portion dedicated to illustrating
- 2<sup>nd</sup> grade: 1 primary composition notebook. At the middle of the year we will transition to notebook paper

\*I have big supplies of scissors, markers, crayons, highlighters, and coloring pencils for class use. It is not necessary to purchase unless your child wants to have their own. This negates the need for a supply box too if you so choose. A zipper pack would do instead of the box in this case.

\* Please try to avoid the decorative pencils with the shaft wrapped in the plastic art as they severely clog electric sharpeners.
